

Halloween

Saturday October 31st, 2020
5p-8p

We are asking that when partaking in trick-or-treating, please follow the current COVID guidelines.

- Face coverings, not costume related, have to be worn at all times.
- Provide candy/treats without direct contact.
- Host/join open-air, socially distant, gatherings that do not exceed the 250-person limit.
- If you plan on hosting a large gathering of 250 people or more, you must submit your plan and have it approved by the Division of Public Health, (DPH). Their email is hspcontact@delaware.gov.
- Sanitize frequently.
- Consider low risk activities:
 - at-home pumpkin carving
 - virtual costume contests
 - at-home scavenger hunt, (like an Easter Egg hunt)

Be safe and have fun
